

Annex to the Particular Regulation

The stage 1 from Andalucía Bike Race 2020 will be in time-trial format (XCTT). The start will be located in Santa María Cathedral square in Jaén.

From there the participants will start the route of the stage which will be timed until the entrance to the Santa Catalina Castle road (JA-3030) at kilometer 23 approximately. (Point 26 of the map). At this point the arrival time will be taken and participants need to follow the route that will be neutralized to the Santa María Cathedral square, where it's going to be the arrival point. The end of stage 1 is in Santa Maria Cathedral square.

To complete the route from Santa Catalina Castle road until Santa Maria Cathedral square in Jaén, the participants will have maximum 45 minutes, and from that time the participant will assume a penalty of 1 minute per minute delay.

It's **MANDATORY** that participants finish the stage in Santa Maria Cathedral square, with a penalty of 30 minutes for those who don't finish there.

During the neutralization section, it's **MANDATORY** to follow the official signs without leaving the route, move with caution especially within the urban area and respect the code of circulation and instructions of the organization staff and the Local Police.
